

## **Sunbrella® Cushion Fabrics**

**Sunbrella®** fabric is made from durable, 100% solution dyed acrylic fibre that is colour fast in sunlight. Cushions made from this fabric have a water repellent finish applied but are not waterproof and should not be left out in heavy rain.

**Sunbrella Rain®** fabric has an extra barrier finish that is waterproof and should only be used outdoors.

**COM** We are able to supply our cushions in a Customer's Own Material.

---

**In Europe** we manufacture our cushions using the fabric colours shown in the Stocked and Special Order sections.

**In the USA** we manufacture all our cushions to Special Order and they are available in any Sunbrella® fabric with various finishes, details of which are available from your supplier or by following the link
