

We offer care products for all our furniture, which are effective and easy to use. A maintenance regime, once or twice a year will keep your furniture in prime condition. You can purchase our Care Products from your local Barlow Tyrie Stockist.

Anti-Wasp Solution

Product Code 4WS Wasps can deface outdoor weathered wood, leaving unsightly marks. See image to the left with an example of defaced wood. Our Anti-Wasp Solution will protect your furniture from this unsightly attack.

Instructions For Use

- Before using Anti-Wasp Solution, eye protection and rubber gloves should be worn. Cover the ground under your work area before starting.
- Make sure the teak is 100% dry and free of dust.
- Shake for at least one minute before use.
- Apply a thin layer of Anti-Wasp Solution with a soft cloth.
- Allow to dry for one hour and then apply a second thin coat of Anti-Wasp Solution. Let the teak dry for four hours before exposure.
- It is recommended that you treat your furniture with Anti-Wasp Solution once or twice per year in the Spring season and at the beginning of the Summer.

Care of Furniture Videos

Our knowledgeable Customer Service Technician Mick Taylor has put together some handy care of furniture videos. These can be viewed on our website or via our YouTube channel.
