Carved Inscriptions and Plaques

We offer two options to personalise your furniture; a carved inscription or a Bronze Plaque, which are available for most of our teak armchairs, benches and seats. These inscriptions personalise a gift to a loved one or provide a special and distinctive memorial. Contact our customer service department with your requirements or with any questions.

Carved Inscription

Add a personal message or the name of a loved one to a piece of our furniture. We normally put the inscription on the top rail of a seat or chair but we can put it on the front rail under the seat or on a table top. Please include your carved inscription with your furniture order as we carve the inscription before we manufacture the furniture.

On Existing Furniture

If you already own a piece of our furniture and would like to inscribe it then we can carve the component and have a member of our care team visit you and fit the new carved component. Our customer service department will give you a quotation for this service.

Glenham Seat 150 (1GL15)
with Carved Inscription
(5CA)

Features

- Our 3D-lettering is carved in a traditional serif typeface using a 'V'- cut, which allows the inscription to be read easily from the side as well as from immediately in front, which is an advantage over normal machine cut letters.
- Our standard font is Times New Roman, 2.5cm (1") in height. We can supply inscriptions in other fonts.
- We can supply an inscription in any language, including Chinese and Arabic.
- We can supply a seat with a teak panel in the back, on which we can carve a logo, a club crest or a longer inscription or verse.
- If more than one line of text is required, we might need to reduce the height of text depending on the model of seat.
- The maximum number of characters and length of an inscription will depend on the seat model, the seat length, the text height, whether upper or lower case and the font used.

Bronze Plaque

We can supply personalised bronze plaques to fit to any of our furniture. Plaques allow you to be creative with your choice of font or image. We recess plaques onto new furniture to finish flush with the surface, using a hidden fixing that leaves the visible face of the plaque clear and makes its unauthorised removal difficult. We fill the letters on our bronze plaques with vitreous cream enamel that is weatherproof and makes the inscription an attractive feature and easy to read.

On Existing Furniture
